<6 months

The breakeven point for outsourcing MDR to Kudelski Security

Over a three-year period. From Forrester Total Economic Impact™ Report on Kudelski Security's MDR, Dec 2023

Our capabilities work together as a force multiplier, delivering a level of security greater than the sum of its parts.

Purposeful innovation is in our DNA. We have a rich heritage of innovation which drives the development of all our offerings. We have a strong DevSecOps culture with the capabilities – talent, tech, and infrastructure – to develop and deliver solutions where no solution currently exists.

Why Kudelski Security?

- Pure-Play Cybersecurity Partner
