

ANTI-PIRACY SERVICES - INVESTIGATION & LEGAL SUPPORT

Drive Enforcement Action Against Piracy

There's been a piracy breach. What can be done now?

The best response includes intelligence and monitoring of complex pirate activities, driving enforcement action against key targets engaged in content and service piracy. Partner with NAGRA to locate and take-down pirates and recover lost revenues. With over 25 years of experience, our lawyers, investigators, and technical experts deliver comprehensive, industry-leading investigation reports that include a proposed enforcement strategy. Collectively, we can implement the right solution to protect your content, rights, and revenues.

Solution Benefits

- 1 Comprehensive Intelligence Gathering:** By anonymously and forensically sourcing, testing and analyzing pirate services.
- 2 Full Ecosystem Analysis:** To understand the roles of the individuals and organizations involved in running a pirate service.
- 3 Legal Advisory Services:** To draft cease and desist letters, legal briefs, assessing legal routes and filing criminal/civil complaints.
- 4 Law Enforcement Support:** To support raids and witness hearings / interviews, participate in 'knock and talk' operations, and supporting litigation until judgment is made.
- 5 Training Services:** To educate and advise law enforcement organizations on piracy practices and the technologies.
