

ANTI-PIRACY SERVICES - INVESTIGATION SERVICES

Expert Resources for a Complete Enforcement Strategy

Need help investigating Intellectual Property crime? NAGRA can provide the full support and analysis required for legal actions.

Taking down piracy operations through legal action or 'knock & talk' operations is key to returning piracy users to legitimate video services. If you don't have the in-house staff or your team is too stretched, NAGRA offers professional investigation services to help drive enforcement action against crucial content and service piracy targets. Our lawyers, investigators, and technical experts deliver comprehensive, industry-leading investigation reports, including a proposed enforcement strategy. Collectively, we can implement the right solution to protect your content, rights, and revenues.

Service Benefits

- 1 **Know thy enemy:** Get Actionable Investigative Reports: Full documents to expose the infrastructures, organizations, and individuals behind pirate services with technical analysis on weaknesses and intel for legal action.
- 2 **Streamline Legal Action:** Our experts help draft cease and desist letters and legal briefs, file criminal/civil complaints, and can recommend the best legal routes per local context.
- 3 **Engage Law Enforcement:** Our experts can participate in witness interviews, 'knock and talk' operations, search & seizure operations, and support litigation through judicial decisions.
